APRIL 2021 NEWSLETTER

Thanks for your support,

We would like to start this newsletter by saying “Thank You” to all of our followers and supporters for sharing and donating to our missions and helping our outreach expand even more.

We are experiencing an early outburst of Severe Thunderstorms that have been producing dozens of tornados, Hurricane force winds and hail as big as softballs. We have so many people still recovering from last year's Hurricanes that made their way from Texas all the way across to Florida with more severe weather adding to the numbers that need a hand up. If you haven't already, join us on Facebook @Lacajunnavy and Twitter @LouisianaCNavy We also invite you to visit our websites:

You can also sign up as a regional volunteer on both sites. We have virtual teams now in Texas, Louisiana, Oklahoma, Mississippi, and Florida.

We were able to bring water and supplies as well as our water purification mobile plant to Coalgate, Oklahoma. We believe in finding solutions, not just putting on band-aides to the problems.

Our teams are out daily on so many different missions handing out food and helping with flooded areas in Louisiana from all the rains this last few weeks.

Remember this is all possible through your ability to help us financially. We are still looking for Corporate Sponsors and Suppliers. Hurricane Season starts in less than 6 weeks. Help us fill the pipeline with supplies and donations when we go live with rescues.

Y'all stay safe out there. Remember, we are all in this together so let's be kind to one another.

Sincerely, Team LCN/LSP
