

***“We don’t wait for help,  
We are the Help”***

**AUGUST 2022 NEWSLETTER**

Thanks for your support,

As we are in the approach of the official start of Storm Season 2022, we are faced with new challenges in our preparations. The storms are already this year showing us it is going to be a busy season. With gas prices at an all-time high and the cost of operating almost double, we reach out once again to our followers and supporters for help. As you all know we were able to respond to Hurricane Ida which caused major damage to all in its path. We were able to rescue as well as supply the survivors with emergency relief supplies, hot meals as well as fuel, generators, and basic hygiene and baby needs. We managed all these supplies being distributed to those in need through our network of volunteers and suppliers/supporters with your help.

The bottom line is we can’t do this without your help. As we enter this season we are prepared to step up once again when called and respond to the needs of those who will be affected and caught up in the wake of the storms coming this year. In order for us to do so we call upon our network of followers and supporters to step up early and help us prepare to be in the position to deploy when needed. You can help by visiting our website, <https://louisianacn.com>.

Also signing up to Volunteer/Donate as well as view our past accomplishments through your generous donations.

Y’all stay safe out there. Remember, we are all in this together so let’s be kind to one another.

Sincerely, Team LCN
